Heaven and earth are woven more closely together than we might think. In this 8-session video Bible study (streaming included), enter the creation of the world and the first movements of

God's perfect plan to deliver his people. Throughout the Bible—from its very first pages to the culmination of Christ's return—there are two parallel dramas unfolding: The lower story, which describes the events from our human perspective. The upper story, which reveals how the events unfold from God's perspective. The objective of God the Creator—the first in a series of three small-group studies in *The Story* series—is to introduce you to these lower and upper stories as told in the Old Testament books of Genesis through Ruth. As you read these narratives—featuring characters such as Adam, Eve, Abraham, Sarah, Joseph, Moses, Joshua, Gideon, and Ruth—you will see how God has been weaving our lower story into the greater upper story

that he has been writing. This study guide has everything you need for a full Bible study experience, including: The study guide itself—with discussion and reflection questions, video notes, and Scripture readings. An individual access code to stream all eight video sessions online (you don't need to buy a DVD!). Sessions include: The Beginning of Life as We Know It (Genesis 1–11) God Builds a Nation (Genesis 12–36) From Slave to Deputy Pharaoh (Genesis 37–50) Deliverance (Exodus 1–17) Wanderings (Exodus 18–Numbers 27) The Battle Begins (Joshua 1–24) A Few Good Men . . . and Women (Judges 1–21) The Faith of a Foreign Woman (Ruth 1–4) The God the Creator Study Guide is part of The Story Bible Study Series: a three-part Bible study drawn from Randy Frazee's

bestselling *The Story*, which reveals the Bible as a single, continuous narrative of God and his people.

Following the text's content, Richard Straub offers a Chapter Overview and Chapter Review, which is divided by major section. Each group of fill-in-the-blank and short-answer questions is preceded by the relevant objective from the text. The Study Guide also includes three self-tests (one of which encourages students to think critically about the chapter's concepts), answers (with page references for the self-tests and explanations of why a choice is correct or incorrect), and a Focus on Language and Vocabulary section, which explains idioms and other phrases used

by David Myers in the text that may not be clear to some readers.

The Story group Bible study provides groups of all sizes the opportunity to discuss and apply what they experience during the 31-week The Story church campaign. To understand the Bible, says Frazee, you need bifocal lenses, because

two perspectives are involved. The Lower Story, our story, is actually many stories of men and women interacting with God in the daily course of life. The Upper Story is God's story, the tale of his great, overarching purpose that puts the individual stories together like panels in one unified mural. In 31 sessions, The Story video-based group study opens your eyes to God's master plan unfolding in the lives of the Bible's characters and in your own life. Discover the heart of God's Upper Story, and the joy that comes as you align your story with God's. The Story Study Guide and DVD (sold separately) are designed for use by groups of all sizes, including small groups and Sunday school and adult education classes. Rev. B.F. Morris's magnum opus, the *Christian Life and Character of the Civil Institutions of the United States*, published in 1864, is nearly impossible to find. The debate over America's Christian heritage ends with this book. Morris leaves no historical document

returned in discovering America's rich Christian heritage, and he accomplished all of his detailed research 140 years ago before there were computers! No other work compares to it. We've never seen an original copy of this massive work. A few years ago, a well-known conservative publishing company considered printing the imposing book. For undisclosed reasons, the publisher declined. Two factors probably contributed to the decision: the overtly Christian character of the material and the exorbitant cost that would go into its production. American Vision is the exclusive distributor of an expertly scanned copy all 831 pages and 26 chapters of *Christian Life and Character of the Civil Institutions of the United States*. The format is PDF. If you like, the

book can be printed in its entirety or one page at a time. The choice is yours.

Cross Vision Study Guide StatPearls Publishing, LLC

In his revolutionary book *Cross Vision*, Gregory A. Boyd proposed his groundbreaking "cruciform hermeneutic," a way for Christians to make sense of the violence of the Old Testament by seeing it through the crucifixion of Jesus. Now Boyd has teamed up with pastor Deacon Godsey to develop this study guide for individuals and groups. Using this guide, readers can work through *Cross Vision* chapter by chapter, consider various stories from the Bible, and hear from Boyd about questions that have come up since he wrote the book. The *Cross Vision Study Guide* is an essential aid for anyone wrestling with depictions of a violent God, yet living with faith in a peaceful Christ.
