Temple Series

The Vatican is broken...

And Callie's hearing

Whispers in the dark

corners of her mind... One

of the Vatican's most

infamous Shepherds has

been murdered, and

Callie's friends are the

prime suspects. To prove

them innocent, Roland

and Callie must risk their

very souls... Because

Callie can't reveal that

she's hearing strange

Whispers when she uses

her magic, or that she's

harboring an Angel's

Grace. And if the

Shepherds discover the

hellish bargain Roland

made, the streets of

Rome will flow with blood

as brother turns against

brother. And with the

Antipope pressuring the

Vatican for change, and

Nate Temple arriving

unannounced to demand

an audience with the

Shepherds, things

couldn't get any more

chaotic. Until Callie learns

of an ancient order of

traitors hiding in the

Vatican, and they'll do

anything to bring it down -

brick by brick. The only

way to find the traitor,

keep her secrets, and

save those she loves is to

raise her blade against

these Holy warriors of God, shattering the Vatican itself. And the Whispers in her head find all of this so terribly... amusing. If you like Patricia Briggs, Ilona Andrews, Linsey Hall, McKenzie Hunter, or Ella Summers, you will LOVE the third installment of the Feathers and Fire series.

To become a godkiller you have to awaken the monster inside you  
Almost a year has passed since Nate's ex-fiancée

woke up a Greek god intent on world domination and war. The problem? He doesn't know which god. And the promised war hasn't started yet. With the Four Horsemen refusing to help, and an army of monsters living on his lawn, Nate resorts to the one thing he's best at pissing off demigods and Greek Heroes in hopes of jump-starting the war. But then he receives an ominous invitation that he literally cannot refuse. A dark, deadly place where nightmares roam free

demands an audience. The Land of the Fae. He must forget every story he's heard about the Fae. They're nothing like he imagined, nothing like he's been told, But to kill a God, he must first become a monster.

Callie Penrose - a wizard with a splash of Angel's blood flowing through her veins - kind of broke the Vatican and their band of

Holy-warrior, wizard-priests, the Shepherds. Officially, the report stated Callie forgot to turn the other cheek, and things escalated. She returns home to Kansas City to find new gangs of supernaturals roving the streets, preying on the innocent while the local factions do nothing. Although not unified, everyone seems to agree on one point: Callie Penrose must die. And she's still hearing those strange Whispers in her mind - much more frequently than before,

and not nearly as forgiving. But when an epic betrayal blindsides her and she discovers the truth of her birth - why Heaven and Hell have been so interested in her - Callie's world begins to crumble, and she must decide whether she wants to be a good girl. Or if it's time to be a little naughty. No matter how hard you try, you can't make an Angel cry. They just roar.

The White Rose marches for war. The angels will weep, the devils will cry, and mankind may die. Callie Penrose wields the Spear of Destiny and wears Envy's Halo - the corrupting power of

darkness balanced by the legendary blade of light. Both fight for dominance of the White Rose, but which force will win? Her best friend, Claire, has been abducted or killed, and her only surviving family has been ritualistically murdered to hide the truth of the Divines and the Sev'n Most Sinist'r. Heaven has deemed her a criminal and Hell begs her to be their queen or die. The Vatican is preparing to march on the City of Fountains to defend mankind against the

horrors of the White Rose, the new Master Dracula, once and for all. The answers to her past and mankind's future are hidden deep within Solomon's Temple, locked away for very good reason. Callie will have to face some dark, painful truths to bring harmony to a world gone mad. To discover why Heaven and Hell are so eager to bring her under their control. But the Horsewoman of Despair is not alone. The Horseman of Justice and Absolution ride to Kansas City to lay

waste to her foes. Three of the Dread Four will march against the forces of Heaven, Hell, and the Vatican. And Kansas City is not the only battleground. The Garden of Eden is in grave peril, and no one knows if Callie is the danger or if she's the savior. After all, how good can Master Dracula be? The Halo Breaker rides a path as thin as the edge of a sword, and even she doesn't know what is right or wrong. But that's what family is about. Getting into and out of trouble. Let's just hope the

city can survive. Let us pray that the Garden of Eden will thrive. The flip of a coin will decide the fate of the world.

The epic conclusion to USA Today bestseller David Dalglish's Seraphim Series. What started as a small rebellion has grown to all-out war, with the four minor islands uniting under the call for independence. But Kael Skyborn no longer trusts the mysterious leader of their rebellion, nor his disciples. Neither side seems willing to reveal

the truth of the elemental prisms the Seraphim wield in battle, or the blood that keeps the islands from crashing down to the ocean below. Bree Skyborn is the Phoenix of Weshern and the face of the rebellion. But when Kael is captured and brought to Center for execution, Bree no longer cares about the war or the call for independence. All that matters is rescuing her brother and putting a stop to the violence for once and for all. Both sides hold secrets that could be their undoing.

NEVER BEFORE  
PUBLISHED AN ALL-NEW  
GUILD HUNTER NOVEL  
Return to New York Times bestselling author Nalini Singh's sensual and painfully beautiful Guild Hunter world in her new novel of sacrifice, loyalty, and the choices of love that can shatter the heart. In the wake of a brutal war, the archangel Raphael and his hunter consort, Elena, are

dealing with the treacherously shifting tides of archangelic politics and the people of a battered but not broken city. The last thing their city needs is more death, especially a death that bears the eerie signature of an insane enemy archangel who cannot—should not—be walking the streets. This hunt must be undertaken with stealth and without alerting their people. It must be handled by those who can become shadows themselves... Ash is a gifted tracker and a

woman cursed with the ability to sense the secrets of anyone she touches. But there's one man she knows all too well without a single instant of skin contact: Janvier, the dangerously sexy Cajun vampire who has fascinated and infuriated her for years. Now, as they track down a merciless killer, their cat-and-mouse game of flirtation and provocation has turned into a profound one of the heart. And this time, it is Ash's secret, dark and terrible, that threatens to destroy

them both.

**A Novel** Feathers & Fire Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their

freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the

German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the

trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his

touch is sensitive, firm, and sure.”—The New York Times Book Review

As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the

athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with

No pantheon is safe from the wrath of a Horsewoman scorned.

War is coming to the City of Fountains. The Four Legendary Creatures are free, the Seven Sins are running wild, the vampires are getting thirsty, and the Vatican is ready to enter the front lines. And Callie Penrose is at the heart of it all. The Horsewoman of Despair flicked the first domino, and the consequences are echoing throughout the various halls of power in all corners of the world. As the streets of Kansas City threaten to become raging rivers of blood, one of those closest to Callie

is kidnapped, and she is forced to choose between her heart and the people who depend on her to keep them safe. To value duty over love. As the pillars of Heaven begin to crumble, it becomes increasingly obvious that all these events are coordinated rather than coincidental. Callie may have flicked that first domino, but how much can her heart handle when she learns that some of her closest friends set all the dominos up in the first place. Now is the time when success

truly depends on how Lucky Callie can be, and whether she can determine which friends have been paid thirty pieces of silver to stab her in the back. Angels shall weep, and demons shall laugh. Humanity will burn and gods shall die in the wake of a Horsewoman betrayed.
