Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family.

When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

In a novel-in-verse that brims with grief

and love, National Book Award-winning and New York Times bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance—and Papi's secrets—the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like

they've lost everything of their father, they learn of each other. Great for summer reading or anytime! A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our

desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. Who wore the first pants? Who painted the first masterpiece? Who first rode the horse? Who invented soap? This madcap adventure across ancient history uses everything from modern genetics to archaeology to uncover the geniuses behind these and other world-changing innovations. Who invented the wheel? Who told the first joke? Who drank the first beer? Who was the murderer in the first murder mystery, who was the first surgeon, who sparked the first fire--and most critically, who was the first to brave the slimy, pale oyster? In this book,

writer Cody Cassidy digs deep into the latest research to uncover the untold stories of some of these incredible innovators (or participants in lucky accidents). With a sharp sense of humor and boundless enthusiasm for the wonders of our ancient ancestors, *Who Ate the First Oyster?* profiles the perpetrators of the greatest firsts and catastrophes of prehistory, using the lives of individuals to provide a glimpse into ancient cultures, show how and why these critical developments occurred, and educate us on a period of time that until recently we've known almost nothing about.

Soon to be a major motion picture starring Matthew McConaughey and Idris Elba "An impressive work of mythic

magnitude that may turn out to be Stephen King's greatest literary achievement" (The Atlanta Journal-Constitution), The Gunslinger is the first volume in the epic Dark Tower Series. A #1 national bestseller, The Gunslinger introduces readers to one of Stephen King's most powerful creations, Roland of Gilead: The Last Gunslinger. He is a haunting figure, a loner on a spellbinding journey into good and evil. In his desolate world, which mirrors our own in frightening ways, Roland tracks The Man in Black, encounters an enticing woman named Alice, and begins a friendship with the boy from New York named Jake. Inspired in part by the Robert Browning narrative poem, "Childe Roland to the Dark Tower Came," The Gunslinger is "a compelling whirlpool of a story that

draws one irretrievable to its center” (Milwaukee Sentinel). It is “brilliant and fresh...and will leave you panting for more” (Booklist).

"Helnwein debuts in striking fashion... The writing, especially the dialogue, is magnetic, honest, and brimming with caustic wit... [an] enrapturing take on the intense highs and lows of teenage love." —Booklist (Starred Review) "Wildly real and bursting with all the romance and pain of coming into oneself." —Kirkus (Starred Review) "Helnwein frankly conveys the joy, fear, and

awkwardness of an all-consuming first love, poignantly depicting Gracie’s growth: particularly the hard-won knowledge that she can exist 'just by the sheer force of herself,' and the grace she learns to show herself and others."

—Publishers Weekly "One of Eight 2021 YA Books To TBR ASAP" —BookRiot Mercedes Helnwein's Slingshot is an exciting debut contemporary young adult novel perfect for fans of Rainbow Rowell and Mary H. K. Choi "I didn't think it was going to be anything like this when I finally fell in love. I thought it was going to be pretty simple. Like, I'd love someone and they'd love me. I thought that's the way it worked." Grace Welles is stuck at a third-tier boarding school in the swamps of Florida, where her method of survival is a strict, self-

imposed loneliness. And it works. Her crap attitude keeps people away because without friends, there are fewer to lose. But when she accidentally saves the new kid, Wade Scholfield, from being beaten up, everything about her precariously balanced loner world collapses and, in order to find her footing again, she has no choice but to discover a completely new way to exist. Because with Wade around, school rules are optional, weird is okay, and conversations about wormholes can lead to make-out sessions that disrupt any logical stream of thought. Nothing's perfect, but that's not the point. When they're together everything seems uncomplicated in a way that Grace knows is not possible. Except it is. So why does Grace crush Wade's heart into

a million pieces? Acidly funny and compulsive readable, this debut is a story about two people finding each other and then screwing it all up. See also: soulmate, stupidity, sex, friendship, bad poetry, very bad decisions and all the indignities of being in love for the first time.

"Powered by insight and true wit." --Meg Wolitzer, New York Times bestselling author of *The Female Persuasion* "I can't remember the last time I was as completely bewitched by a fictional character as I was by *Bea Seger* . . . What a treat to view life through the eyes of this funny, smart, gutsy woman." --Richard Russo, author of *Empire Falls* and *Chances Are*... *Bea Seger* has spent

a lifetime running from her childhood. The daughter of a famous photographer, she and her brothers were the subjects of an explosive series of images in the 1960s known as the Marx Nudes. Disturbing and provocative, the photographs left a family legacy of grief felt long past the public outcry and media attention. Now, decades later, both the Museum of Modern Art and Hollywood have come calling, eager to cash in on the enduring interest in these infamous photos. Bea faces a choice: Let the world in--and be financially compensated for the trauma of her childhood--or leave it all locked away in a storage unit forever. Twice divorced from but still dependent on aging rock star Gary Going, Bea lives in Manhattan with her borrowed dog, Dory, and her

sort-of half-sister, Echo. Navigating old resentments and betrayals, Bea stumbles towards her best future, even as the past looms larger than ever before. *Carry the Dog* reverberates with rock and roll, and truths about the human condition of a late-blooming feminist. To inhabit this story is to be swept into Bea's world, to bear witness as the little girl in the photographs and the woman in the mirror meet at the blurry intersection of memory and truth, disappointment and gratitude, vulnerability and connection, and most of all, resilience.

The Red and the Black Stendhal - First published in 1830, *The Red and the Black*, is widely considered the masterpiece of 19th century French author Marie-Henri Beyle, known more commonly by his pen name, Stendahl. It follows the ambitions of Julien Sorel, a young man raised in the French countryside who wishes to rise above his provincial station by climbing the social ranks of Parisian society. Through a

series of events, Julien's talent and hard work give way to deception and hypocrisy when he realizes the limitations for advancement of a sincere and honest man of humble origins. Although Julien achieves much which he aspires to, ultimately his pride gets the better of him when he commits a violent crime of passion, leading to his tragic downfall. Through the deep psychological introspection of Julien we see Stendhal's unique literary genius, the remarkable way in which he allows readers to live in the minds of his

characters. Set against the backdrop of the July Revolution of 1830, *The Red and the Black* is a narrative which embodies the rich social conflict of that time. This edition is translated with an introduction by Horace B. Samuel.
