Game of My Life New York Mets, now newly updated, takes a personal look inside the biggest moments of the Mets' greatest and most beloved players, from journeymen to superstars. Their most unforgettable games paint a picture of Mets history, as the franchise morphed from a dismal (though lovable) expansion team in 1962 to World Series Champions in 1969 and 1986 and then back to basement dwellers before meeting the Yankees in the 2000 Subway Series, and the Royals in a surprise appearance in the 2015 World Series. Fan favorite Ron Swoboda recounts making "The Catch." Infielder Wally Backman relives the many thrills of playing on the '86 Mets as they marched to a championship. All-Star Edgardo Alfonzo describes going six-for-six, including three home runs, in one of the most dominating offensive games in baseball history. Right-hander Bobby Jones recalls pitching the most dominating postseason game in Mets history, when he threw a one-hit shutout to clinch the 2000 National League Division Series against the San Francisco Giants. Current ace Jacob deGrom recounts his gritty series-clinching performance against the Dodgers in Game Five of the NLDS. Journalist Michael Garry, a lifelong Mets fan, also includes stories about Tom Seaver, Mike Piazza, and David Wright, among others.

The Lodger The Love Child

Software Engineering: The Current Practice teaches students basic software engineering skills and helps practitioners refresh their knowledge and explore recent developments in the field, including software changes and iterative processes of software development. After a historical overview and an introduction to software technology and models, the book discusses the software change and its phases, including concept location, impact analysis, refactoring, actualization, and verification. It then covers the most common iterative processes: agile, directed, and centralized processes. The text also journeys through the software life span from the initial development of software from scratch to the final stages that lead toward software closedown. For Professionals The book gives programmers and software managers a unified view of the contemporary practice of software engineering. It shows how various developments fit together and fit into the contemporary software engineering mosaic. The knowledge gained from the book allows practitioners to evaluate and improve the software engineering processes in their projects. For Instructors Instructors have several options for using this classroom-tested material. Designed to be run in conjunction with the lectures, ideas for student projects include open source programs that use Java or C++ and range in size from 50 to 500 thousand lines of code. These projects emphasize the role of developers in a classroom-tailored version of the directed iterative process (DIP). For Students Students gain a real understanding of software engineering processes through the lectures and projects. They acquire hands-on experience with software of the size and quality comparable to that of industrial software. As is the case in the industry, students work in teams but have individual assignments and accountability.

Cloven Delphi Classics

Aunt Jane's Nieces Series is a collection of ten novels designed for young adolescent girls written under the pseudonym Edith Van Dyne. Jane Merrick is a wealthy, elderly, difficult invalid woman who is preparing for her approaching death. In her youth, she inherited her money and estate from her fiancé, Thomas Bradley, who died before their wedding took place. With no children of her own, she calls for her three teenaged nieces to visit her, so she can decide who will inherit her estate. They are Louise Merrick, Elizabeth De Graf, and Patsy Doyle, children of Jane's younger brother and sisters. Each of the three cousins is a different type. It was the author's second greatest series, but towards the end of Baum's life they outsold the Oz books. L. Frank Baum (1856-1919) was an American author chiefly known for his children's books. Table of Contents: Aunt Jane's Nieces Aunt Jane's Nieces Abroad Aunt Jane's Nieces at Millville Aunt Jane's Nieces at Work Aunt Jane's Nieces in Society Aunt Jane's Nieces and Uncle John Aunt Jane's Nieces on Vacation Aunt Jane's Nieces on the Ranch Aunt Jane's Nieces Out West Aunt Jane's Nieces in the Red Cross

The Castle Has Fallen CRC Press

Set in an alternate nineteenth century, muskets and magic are weapons to be feared in the first "spectacular epic" (Fantasy Book Critic) in Django Wexler's Shadow Campaigns series. Captain Marcus d'Ivoire, commander of one of the Vordanai empire's colonial garrisons, was serving out his days in a sleepy, remote outpost—until a rebellion left him in charge of a demoralized force clinging to a small fortress at the edge of the desert. To flee from her past, Winter Ihernglass masqueraded as a man and enlisted as a ranker in the Vordanai Colonials, hoping only to avoid notice. But when chance sees her promoted to command, she must lead her men into battle against impossible odds. Their fate depends on Colonel Janus bet Vhalnich. Under his command, Marcus and Winter feel the tide turning and their allegiance being tested. For Janus's ambitions extend beyond the battlefield and into the realm of the supernatural—a realm with the power to reshape the known world and change the lives of everyone in its path.

Not Quite Famous iUniverse

Re-read this classic romance by USA Today bestselling author Carole Mortimer When rakishly handsome Raff Quinlan accidentally knocks down Rhea-Jane, he whisks her back to his country manor to recuperate. Her beauty beguiles him and the passion between them is instantly sizzling! Curious about his mystery houseguest, Raff learns that Rhea-Jane needs a job and offers her a position as his personal secretary... But Raff is unaware that Rhea-Jane hides a secret. And the tighter the desire coils between them, the harder it will be for either of them to walk away unscathed! Originally published in 1991

A Soldier's Quest Hard Shell Word Factory

The Castle mentioned in the novel's title is Dublin Castle, which was the central control headquarters for the English authorities in Ireland. Also, the title itself is taken from a statement by Michael Collins to Arthur Griffith, in the Castle grounds, during the ceremony when the British relinquished their control to the Irish. The novel, however, follows the adventures of a very young

Irishman, Patrick Kyle, who, at the turn of the 20th century, enlists in the British army, serves through the Boer war, returns home, studies law, and briefly gets caught up in a political incident in Ireland. Later on he again joins the British army, (assuming that Ireland would get its independence if the Irish fought for England) and survives the horrors of World War One. When he returns to Ireland, he becomes inadvertently embroiled in the fight for Ireland's freedom, and is finally accused of treason during the civil war there. He is so disappointed, and disillusioned with the outcome of these events, that he leaves his homeland, and sets sail on a ship bound for America, taking along his beautiful wife, Hannah, and his two children. On the voyage he has, what can only be described as, a spiritual experience that convinces him that, in America, he will find a life of peace with his wife and family, that had so eluded him in the past. The story also deals with his love-life, and tells how he had fallen hopelessly in love with Hannah Smyth, a beautiful young lady, whose family were ardent members of The Loyal Orange Order. This Orange Order is a group that had been implanted in Northern Ireland in the 17th century for the purpose of creating and maintaining a Protestant ascendancy there, and was given total political control in that area. This implantation created animosity between the Protestant landowner and the Catholic dispossessed. Consequently, the Orange Order's whole history has been influenced by the idea that Catholics were their mortal enemies, and had to be eliminated, or at least be totally suppressed. As it happened, our hero, Patrick Kyle, was a member of the Catholic Church, and this made for a very turbulent courtship between him and his future wife. The novel describes, in sufficient detail, how people thought during the early part of the Twentieth Century, what their values were, and the politics of that era. The story illustrates how those events of so long ago have grossly influenced current Irish politics, and were basically the root cause of the recent violence in Northern Ireland. This connection is briefly described in the Epilogue. It also dispels many myths and lies put out by the British regarding Ireland's involvement in WW1, and consequently it becomes somewhat controversial in its scope. There is action of some sort on every page, and it never lets up. It could be described as an anti-war book and, with some vivid descriptions of W.W.I battles, an illustration of man's inhumanity to his fellow man. It reflects the confusion of a man whose close friends, that he had fought beside a few months previously, were now his worse enemies, and whose loyalties were so confused by these circumstances that he could no longer discern the difference between right and wrong. There are many stories within this book, all dealing with various periods of this man's life through a very turbulent and violent era. The debacle and insanity of Anglo-Irish politics is simply described, and the reasons for the hero's decisions is explained and justified on his terms. However, in spite of a series of violent and disappointing events, the story's ending has a pleasant and upbeat tone.

Red Cross Magazine AuthorHouse

Brilliantly evoking the changing attitudes of the time, *The Love Child* is a novel about love, family, separation, despair, and hope, full of tenderness and deep feeling. A young mother's sacrifice. A child's desperate search for the truth... London, 1917 When nineteen-year-old Alice Copeman becomes pregnant, she is forced by her father and stepmother to give up the baby. She simply cannot be allowed to bring shame upon her family. But all Alice can think about is the small, kitten-like child she gave away, and she mourns the father, a young soldier, so beloved, who will never have the chance to know his daughter. Edith and Philip Burns, a childless couple, yearn for a child of

their own. When they secretly adopt a baby girl, Irene, their life together must surely be complete. Irene grows up knowing that she is different from other children, but no one will tell her the full truth. Putting hopes of marriage and children behind her, Alice embarks upon a pioneering medical career, striving to make her way in a male-dominated world. Meanwhile, Irene struggles to define her own life, eventually leaving her Suffolk home to find work in London. As two extraordinary stories intertwine across two decades, will secrets long-buried at last come to light?

Second Plays Minotaur Books

Bobby Parsons is a typical boy growing up in London in the 1950's. His life changes when his father is imprisoned for fraud and Bobby and his mother and sister have to move home and school. The family become involved with a shady character on the fringe of the criminal world who offer Bobby the opportunity of getting even for his father's plight. This takes Bobby into the London underworld where he becomes known as The Persuader.

The Cold Six Thousand e-artnow

It is becoming clear to educational managers that successful schools are schools which take pastoral care seriously and train their managers in pastoral leadership. Improving Your Management Skills is a practical guide for pastoral leaders and managers. The book surveys all aspects of the pastoral leader's role and provides step-by-step guidance towards effectiveness. As well as being an OFSTED inspector for primary and secondary schools, Marilyn Nathan regularly runs courses for LEAs on pastoral leadership that include heads and deputy heads as well as managers. Written in an extremely reader-friendly style, this practical guide surveys all aspects of the pastoral leader's role. It provides managers and all teachers who have a pastoral responsibility with real, step-by-step guidance towards effectiveness. An introduction to pastoral leadership, this book provides advice and practical suggestions on how to improve your expertise as a manager. Each chapter includes case studies based on the experience of real schools, questions for discussion and suggestions for further reading. Pastoral Leadership will be of interest to all pastoral leaders, new and experienced, who want to develop good practice.

Blood Trade F.A. Davis

Nurse Bonnie By: Aubrey Mobley This story is a tribute to the brave men and women of the World Health Organization who risk their lives to prevent major outbreaks of infectious diseases and other disasters. They are called Doctors Without Borders.

Delphi Complete Works of A. A. Milne (Illustrated) Pan Macmillan

This unique, problem-solving, case-based approach shows you how. You'll encounter different case studies in every chapter—that explore concepts such as community assessments, public health policy, and surveillance. Step by step, you'll develop the knowledge and skills you need to apply public health principles across a variety of health care settings, special populations, and scenarios.

The Thousand Names Random House

Meet 20-something "professional background actress" Graciella Corsini as she orbits on the fringe of the entertainment industry in the most exciting city in the world, New York City. When cast on the hottest daytime drama on television, Gracie fights the temptation of her off-limits but otherwise perfect romantic match – the show's star, Julian. Already dodging the nefarious actions of Alicia, an ex-lover's wife, the stakes skyrocket when Gracie tangles with mobster Tommy after witnessing illegal activity. Will Alicia succeed in spoiling Gracie's newfound happiness? Is Gracie bound to end up sleeping with the fishes, courtesy of Tommy? Can Gracie and Julian find their way to true love?
